

## **BEEMERS IN THE BLUEGRASS MINI RALLY SEPTEMBER 5<sup>th</sup> .6<sup>th</sup> .7<sup>th</sup> - 2008**

The 2008 Beemers in the Bluegrass Mini Rally is on again this year. We moved it ahead one weekend to not conflict with the MotoGP races being held in INDY. The location is the Stillwater Campground, located on US 127, 8 miles north of Frankfort KY. On I64 between Lexington and Louisville, take either, the Frankfort exit on US 127 and follow it to the campground, or take the Frankfort exit on US 421, go north to US 460, and then north to US 127 North. From the US 460/US 127 junctions it is 8 miles to the campground. We will have signs at the major intersections pointing the way to the campground.

There are showers at the campground. Porta-potties as well as campground restrooms will be available. We are having a free breakfast and supper, and door prize drawings on Saturday, Sep 6. You must be present to win the door prizes. There will be a poker run on Saturday morning. You can come down just for the poker run if you want, you need not pay a rally entry fee for this.

There is lots to see and some beautiful riding roads in the area. Many attractions, such as Shakertown at Pleasant Village, the Railroad Museum and train ride in Versailles, many beautiful horse farms, and of course, our state capitol. There won't be any organized rides, but we will have maps and local information available for anyone interested in seeing some of the Beautiful Bluegrass.

The \$20.00 registration fee includes: 2 nights camping, breakfast and evening meal on Saturday, and the door prize drawings. We will have a 50/50 drawing for anyone wishing to participate. If you wish to come earlier than Friday, Sep 5, you will need to pay for the extra camping.

This rally is sponsored by The Bluegrass Beemers Inc., Lexington, KY. For more information contact:
